### **St. Alban's Memorial Garden Update**

On Tuesday, July 6, the team from Hunter Springs — Dan, Chase, and Ryan — arrived at St. Alban's and spent the entire day freshening the Memorial Garden and the surrounding area facing Scott Avenue. We began the day with prayer for the project and for the safety of the team.

The immediate change in the area is remarkable. Do come by to take a look. Mother Julie and Scott Schaal (Hunter Springs President) will meet in August with Carolyn Bashaw, Margo Kowalczyk, and Bobbi Lombardo to discuss the renovation. Please note that the Hunter Springs team will maintain the Memorial Garden with monthly visits. Feel free to offer any suggestions either to Warden Margo Kowalczyk or Mother Julie when she returns from vacation.

Mother Julie and the Wardens and Vestry wish to thank Carolyn Bashaw for spearheading and funding the redesign of the garden and its upkeep.
